

Medical Experience (MedEx) Academy

A unique summer program for students interested in health care!

MedEx Academy is an immersive summer program for students interested in health care. The program is made up of four tiers that focus on clinical observations, simulations, lectures, research, personal and professional development, and community service.

Tier 1 is for rising seniors in high school. **Current juniors should apply in the fall (now) for this coming summer.**

- **When: July 9-Aug. 2, 2018**
- **Minimum GPA: 2.75**
- **Rank in the top 1/3 of your class**
- **Submit completed application by Jan. 15, 2018**

We strive to help you find a career that you will love while providing a supportive and empowering community of peers.
