Board Certified in Gastroenterology & Internal Medicine
Consultation by Referral Only

****Hello to all **Mid-level - new and experienced professionals** who looking for normal business hours in an efficiently run smaller subspecialty practice (in Anderson, SC) where you can learn continually and be part of a well respected gastroenterology medical provider team.***

Job Description: Certified Nurse Practitioner/Certified Physician Assistant - new add-on position

Physician Assistant or Nurse Practitioner must be a self-starter, efficient and an effective communicator with patients, doctor, medical office team and management. Nurse Practitioner or Physician Assistant will be seeing patients using an EMR in an office set up and when ready will be seeing patients at the hospital with the physician during normal business hours.

We are a busy sub-specialty medical/ gastroenterology office looking to add another new certified mid level - Certified Physician Assistant or Certified Nurse Practitioner in Anderson, SC. Certification is a requirement. **This is a newly added mid level position.** Current Physician Assistant and supervising physician is supportive towards training the new hire.

Our busy single physician office is fast paced, streamlined and efficiently run where various aspects of gastroenterology treatment is provided (see www.drveera.com). Hence looking for a similar candidate who enjoys learning and knows how to strike a balance between efficiency while paying attention to details. Pleasant environment with paid time off, holiday pay, 401k etc.

Compensation package is commensurate with years of experience.

Please do not hesitate to call the practice manager at the office number listed above or contact via email at nveerabagu@aol.com
